**Re: South Carolina Energy Freedom Act (House Bill 3659) Proceeding Related to S.C.
Code Ann. Section 58-37-40 and Integrated Resource Plans for Duke Energy
Progress, LLC
Docket Number: 2019-225-E**

Dear Ms. Boyd:

On September 1, 2020, Duke Energy Progress, LLC (“DEP” or the “Company”) filed its 2020 Integrated Resource Plan (“IRP”) in the above-referenced docket. The Company filed a revised NC REPS Compliance Plan (Attachment I) with the Commission on September 14, 2020 to correct certain redactions in the public version of Attachment I.¹

Through the instant filing, the Company is submitting certain ministerial revisions to the IRP and Attachment I, to correct typographical mistakes and make other non-substantive corrections that have come to the Company’s attention. These changes are enumerated in the Table of Corrections document attached hereto. The Company has also corrected several formatting issues in the IRP where tables and information were overlaid and did not read clearly, or graphs were presented blurry and were unreadable.

To that end, the Company is filing the following documents:

- (1) DEP’s corrected IRP, which is marked “Corrected 11.06.2020” in the left-hand footer;
- (2) The 39 pages of the IRP that were corrected (these are being filed separately for ease of identification)

¹ The Commission subsequently granted confidential treatment of Attachment I on September 16, 2020 (Order No. 2020-617).

- (3) Attachment I (Public Version), which is marked "Corrected 11.06.2020" in the left-hand footer; and
- (4) The Table of Corrections detailing the corrections made in the IRP and Attachment I.

In addition to electronically filing the corrected Attachment I with the Commission, DEP is also hand-delivering copies of corrected redacted Attachment I containing the confidential information to the Commission and the Office of Regulatory Staff.

Sincerely,

Heather Shirley Smith
